

Take Control with Smarter Access

Guardian Protection delivers smart, cloud-based access control powered by Brivo — designed to secure your business, simplify operations, and put you in control. Whether you have one location or many, we make managing access easy and secure.

KEY BENEFITS

Manage Access from Anywhere

Control doors, users, and schedules from your phone or computer—no servers, no hassle.

Mobile & NFC Wallet Access

Use Brivo Mobile Pass or add credentials to Apple Wallet or Google Wallet for simple tap-and-go entry.

Scalable for Any Size Business

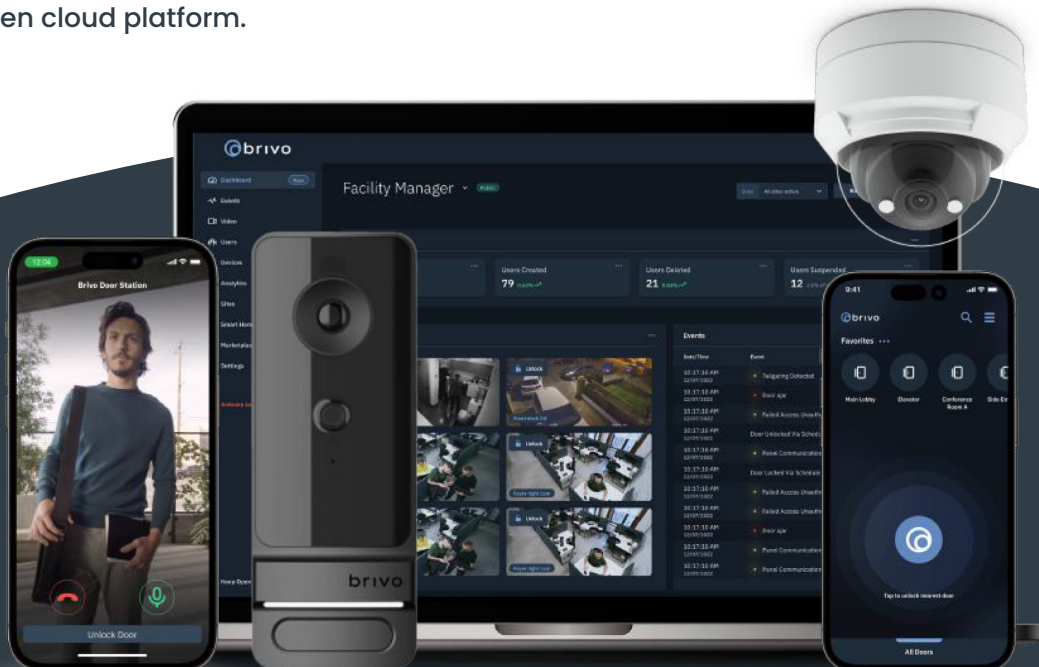

From single offices to enterprise-wide deployments—your system grows with you.

Real-Time Alerts & Activity Logs

Instant notifications, audit trails, and reporting tools are always at your fingertips.

Guardian Expertise, Brivo Technology

Guardian handles design, installation, and support—powered by Brivo's proven cloud platform.

Guardian-Installed. Brivo-Powered. Your Business, Secured.

SYSTEM HIGHLIGHTS:

Cloud-Based Management

Access your system anytime, anywhere—no on-site software needed.

Mobile Access

Issue/revoke access instantly using smartphones as digital keys.

Brivo Door Station

All-in-one video intercom with AI-powered facial recognition for 100% hands-free entry, plus live audio/video intercom before unlocking doors.

Custom Schedules & Permissions

Restrict access by time, day, or role to protect sensitive areas.

Activity Reporting & Alerts

Monitor who entered where and when—with real-time alerts for any anomalies.

Seamless Integration

Connect access control with Guardian's intrusion and fire detection along with Brivo's native integration with OpenEye for video verification.

Scalable Growth

Easily add locations, doors, or users as your business scales—without downtime.

WHY CHOOSE GUARDIAN PROTECTION?

We deliver complete commercial security—access control, intrusion detection, video surveillance, and fire protection—all backed by expert installation and award-winning monitoring.

- Professional system design and expert installation
- Local support from your dedicated Guardian rep
