

Is Home Security Right for my Folks?

Take this checklist to see if your parents could benefit from a smart home security system while they age in place.

- Do they live alone?
- Do they live far away from family?
- Is crime a concern in their neighborhood?
- Do you worry they don't have access to help when they need it?
- Do they have health or mobility issues?
- Do unexpected visitors make them nervous?
- Do they have trouble remembering to turn things off?
- Do they find it hard to keep a comfortable temperature at home?
- Are they on a budget?

Did you answer yes to one or more questions?

If so, a smart home security system may help improve their quality of life, and give you peace of mind!
